

# ALEX RUSSELL

ARTIST, CREATIVE CODER  
OCTOBER 2022 NEWSLETTER

Hello!

In this edition: three new series of one-off prints and artwork, upcoming fairs, plus other updates and info.

---

## People of Print article

If you'd like to find out a bit more about how I create art, this article on the People of Print website is a good place to start:

<https://www.peopleofprint.com/solo-artist/alex-russell-printmaking-with-code>

*Developing the A Scheme Not Of This Word series*

---

## Inkt Vis Inkt

Inkt Vis Inkt is my latest series of one-off artworks, inspired by the idea of working with imperfections in printing processes.

First-showing of two new runs of the *Inkt Vis Inkt* code, on sale soon

Browse the series here: <https://alexrussell.com/product-category/inkt-vis-inkt-prints>

---

### **Roundles Pallet, Connected Play**

These two series also launched over the last few months.

Roundles Pallet (*right*) creates complexity out of simple spots and stripes. Forthcoming prints feature a new colour palette

Read more here: <https://alexrussell.com/roundles-pallet-art>

Browse the series here: <https://alexrussell.com/product-category/roundles-pallet-prints>

Connected Play (*left*) draws on the concept of synaptic connection patterns that allow humans to learn and form memories.

### "The One" show\*

Future Rope Core Memory 220916 1200 has been selected for "The One" International Digital Art Contest organised by Fundacja Pinata. It's a 50cm x 50cm artwork, created especially for the competition. It will be exhibited at the Forum Gallery, Nicolaus Copernicus University in Toruń (PL) in December 2022.

(\*Not the BBC One Show)

---

### Liverpool/Leeds

I've got a couple of new fairs in new cities coming up. On 6 November, I'll be at Liverpool Print Fair, and on 13 November Leeds Craft and Flea. Come and say hello!

---

## A1 prints

I'm working on a new project, making 75 cm x 50 cm prints that will be printed on A1 paper. Here's a preview of one of them.
